

Motor

Porque (Hotel Bill)

Lizard

Bubba

Rollo

Sluggo

Show Sample Snippet "Fireworks Melee"

Scene: The Hotel Bill bus with "Pregnant School Girls" on the marquee, and the REO bus with the REO wings plastered on the side, are traveling down the road together late at night after pulling out of a truck stop. Bantering and activity is going on in each bus.

Abruptly a song playing on the radio is interrupted.....

"BREAKING NEWS..... The President said today, that "EVERY AMERICAN SHOULD KNOW".....A hand can be seen reaching up to the radio dial and.....Brrp, brrrp, brrp..... AC DC's - "Highway to Hell" tunes in.

Motor looks in his truck stop bag and pulls out some bottle rockets.

All of sudden the idea lights go on. Porque opens the roof hatch as Motor flicks his BIC, lights a rocket, and launches it at the REO bus traveling behind.

REO Bus:

Kevin - "What the hell was that".

Driver - "They're firing shit at us".

Alan - "Catch up to them". As him and Neal reach in their truck stop bags and pull out their fireworks arsenal.

Alan, with Bruce lighting the way, launch a larger rocket at the Hotel Bill bus, it flies up along side, loses momentum, and falls to the ground as the crew looks on.

"Ha, ha, ha, ha, Hee, hee, hee, hee.".....Laughter can be heard from the Hotel Bill crew bus.

By this time the band bus has caught up and is along side the crew bus. A fireworks battle ensues. Windows open, hatches open and each bus is launching M80's, rockets, and cherry bombs at each other. An M80 rolls in one of the hatches and lands in the crew bus, goes off, and stuns Sluggo, Rollo, and Bubba in the front lounge.

Sluggo - "Hey Rollo get over here. Light me up". Through the window, Sluggo retaliates with a bottle rocket which sizzles between the buses and enters a band bus window. It flies into the lounge and zips through Gary's hair. Sizzling sounds can be heard and the smell of burnt hair permeates the band's bus.

Gary, trying to stamp out his hair exclaims "What the H---?..... I'm gonna get those MFER's".

To be continued-----
